SUMMARY

Currently enrolled at 42 Prague programming school as part of a professional reorientation. At the very end of the main curriculum, I have developed strong foundations in software development through the 42 peer-to-peer learning model and am actively seeking a first opportunity in the IT field to gain hands-on experience and further enhance my technical skills. Highly motivated, adaptable, and eager to learn new technologies while contributing effectively to a team.

VOLUNTEERING

42 Prague Tutor 2024 – 2026

As a Tutor at 42 Prague, supported the staff by assisting with multiple annual month-long selection process (Piscines) and facilitating the onboarding of new cohorts.

42 Prague Student Council Member 2024 – 2026

Represented student interests, gathered feedback to propose new ideas, contributed to curriculum improvements, promoted community initiatives, supported peer development and the 42 education model.

Music Festival Volunteer: Build-up and Driver Jul 2026 *Memòri Festival*

Supported pre-festival build-up and stage prep; drove artists and crew to keep schedules on track during the event.

Live Sound & Event Production Intern Jul 2026 – present

Sound crew and intern providing sound counseling, system setup, and live engineering for festivals, clubs, and bars. Hands-on across the chain — rigging and tuning the system, running line checks, and operating audio equipment throughout the event.
